a new leaf

helping families, changing lives

Since 1971, A New Leaf has changed the lives of those most in need in our community, helping families, children, and adults overcome the challenges they face. We believe that heartbreaking issues like homelessness, domestic violence, mental health challenges, poverty, educational inequality, and more can be solved through kindness, empathy, and hard work.

Offering a wide variety of compassionate services, A New Leaf envisions a community where everyone has equitable access to resources that support their well-being and empower personal growth. Our mission is "helping families, changing lives." We invite you to join in this mission by seeking services or getting involved.
