helping families, changing lives

Phoenix Day Phoenix Education Center

A New Leaf's Workforce Services program assists all job seekers with securing stable employment, finding a better career path, or moving up in the workplace.

A Safe, Nurturing Place to Grow

At A New Leaf's Phoenix Day children are cared for in a warm, supportive environment where they learn, explore, and grow at their own pace. The center provides high-quality early childhood education for children ages 6 weeks to 5 years old. Every classroom is designed to help children feel safe, valued, and confident as they build friendships and important early learning skills.

Learning Designed Around Your Child

Phoenix Day understands that every child learns differently. Teachers focus on each child's unique personality, interests, and developmental needs through a child-centered approach that encourages curiosity, creativity, and hands-on learning. Classrooms support growth in language, literacy, social skills, emotional development, problem-solving, and physical development

A Diverse Community That Feels Like Family

Classrooms bring together children from many different backgrounds and experiences, helping them build friendships, confidence, and social skills in a positive and inclusive setting. Families are supported beyond the classroom as well, with access to helpful resources and a team that values strong communication and partnership with parents. As a Quality First accredited program, Phoenix Day is committed to maintaining high standards of care and education so families can feel confident their child is in a trusted, nurturing environment every day.
